1. Introduction

Regular school attendance is essential if children are to achieve their full potential.

We believe that regular school attendance is the key to enabling children to maximise the educational opportunities available to them and become emotionally resilient, confident and competent adults who are able to realise their full potential and make a positive contribution to their community.

At Canonbury, we recognise that attendance is a matter for the whole school community. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policies on safeguarding, bullying, behaviour and inclusive learning. This policy also takes into account the Equality Act 2010.

2. Legal Framework

Section 7 of the 1996 Education Act states that parents must ensure that children of compulsory school age receive efficient full-time education suitable to their age, ability and aptitude to any special educational needs they may have, either by regular attendance at school or otherwise.

A child is of Compulsory School Age at the beginning of the term following their 5th birthday. A child ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16.

Under the Education Act 1996, the Local Authority has a statutory responsibility to ensure that parents secure education for children of compulsory school age and where necessary, use legal enforcement.

The Education (Pupil Registration) (England) Regulations 2006, require all schools to take an attendance register twice a day, once at the start of the morning session and then again during the afternoon session.

The register must record whether the pupil was:

- present;
- absent;
- present at approved educational activity; or
- unable to attend due to exceptional circumstances.

3. Categorising absence

Where pupils of compulsory school age are recorded as absent, the register must show whether the absence is authorised or unauthorised.

Absence can only be authorised by the school and cannot be authorised by parents. All absences will be treated as unauthorised unless a satisfactory explanation for the pupil's absence has been received and confirmation from the school has been given authorising the absence.

Parents should advise the school by telephone on the first day of absence and provide the school with an expected date of return. This should be followed up in the form of a written note from the parent/carer, though verbal explanations may be acceptable where this is considered appropriate. Alternative arrangements will be agreed with non-English speaking parents/carers.

Absence will be categorised as follows:

Illness

In most cases a telephone call followed up by a written note or email from the parent informing the school that their child is ill will be acceptable. Parents may be asked to provide medical evidence where there are repeated absences due to reported illness. This will usually be in the form of an appointment card, prescription etc.

Medical/Dental Appointments

Parents are advised where possible to make medical and dental appointments outside of the school day. Where this is not possible, pupils should attend school for part of the day. Parents should show the appointment card to school.

Other Authorised Circumstances

This relates to occasions where there is cause for absence due to exceptional circumstances, for example family bereavement, visiting a parent in prison or part time timetable agreed as part of a reintegration package. We request that parents give notice to the school by completing a request for authorised absence form.

Excluded (No alternative provision made)

Exclusion from attending school is counted as an authorised absence. The child's class teacher will make arrangements for work to be sent home.

Family Holidays and Extended Leave

Parents are strongly advised to avoid taking their children on holiday during term time. Parents do not have an automatic right to remove their child from school during term time

for the purpose of a holiday and should be made aware that if their child is absent for 10 school days they will miss 5% of their education during that academic year. Canonbury School has agreed that to ensure consistency in this process, all requests for holiday during school time will be refused. In such instances, the absence will be classed as unauthorised and may attract sanctions such as a Penalty Notice a £60-£120 fine or a summons to court issued by the Local Authority.

Religious Observance

Canonbury Primary School acknowledges the multi-faith nature of British society and recognises that on some occasions, religious festivals may fall outside school holiday periods or weekends and this necessitates a consideration of authorised absence or special leave for religious observance.

It is reasonable for a parent to allow their children not to attend school on any day of religious observance if recognised by the parent's religious body.

Parents are requested to give advance notice to the school if they intend their child to be absent by completing a request for authorised absence form. However, in the interests of fulfilling the academic requirements of the school and limiting the authorised absence rate of the school, it is identified as reasonable that no more than one day be designated for any individual occasion of religious observance/festival and no more than three days in total in any academic year. Any further absence will be categorised as unauthorised.

Medical Conditions

At Canonbury we automatically treat illness as authorised absence and with the local authorities' help, support pupils' education throughout their illnesses. We also have an understanding and sensitive approach to children who may have periods of absence due to disability or long-term ill health. Please contact our inclusion manager if you wish to discuss your child's attendance and punctuality in this context and allowances will be made. Further information on the statutory duty for school and local authorities to provide this support is available in "Access to Education for children and young people with Medical needs" (DfES 0732/2001).

Late Arrival

The school day begins at 8:55am. The register will close at 9.00am. Pupils arriving after the close of register will be recorded as late.

Pupils who arrive after registration period has ended should go straight to the school office to sign in. It is vital that pupils sign in at the office to ensure that appropriate health and safety regulations are followed and that all pupils are accounted for. The child will receive a small card to notify their teacher that they have been to the office and have been marked in on the register as late.

Unauthorised absence

Absence will not be authorised unless parents have provided a satisfactory explanation and that it has been accepted as such by the school.

Examples of unsatisfactory explanations include:

- A pupil's/family member's birthday
- Shopping for uniforms
- Having their hair cut
- Closure of a sibling's school for INSET (or other) purposes
- "Couldn't get up"
- Illness where the child is considered well enough to attend school

Absence Procedures

If your child is absent the parent/carer must follow the following procedures:

- Contact us as soon as possible on the first day of absence (before 9.25am) on: 0207 226 5020. Alternatively, call into the school office and report the absence in person.

If your child is absent the school Admin Officer will:

- Telephone or text you on the first day of absence if we have not heard from you;
- Invite you in to discuss the situation with Senior Teachers and/or the Attendance Lead if absences persist;

4. Lateness

Poor punctuality is not acceptable. If a child misses the start of the day they can miss work and do not spend time with their class teacher getting vital information and news for the day. Late arriving pupils also disrupt lessons, can be embarrassing for the child and can also encourage absence. Good time keeping is a vital life skill which will help our children as they progress through their school life and out into the wider world.

How we manage lateness:

The school day starts at 8.55am and we expect our children to be in the playground before this time ready to line up when the bell rings. The first bell rings at 8:50am with the second at 8:55am. On the second bell the children are led up to their classes by their class teachers.

Punctuality also applies to parents picking children up at the end of the day. The end of the school day is 3.15pm for Nursery and Reception. Years 1 and 2 end their school day at

3:20pm with years 3 to 6 finishing at 3:30pm. Children will go to the school office if they are not collected on time.

Registers are marked between 8:55am and 9.00am and your child will receive a late mark if they are not in by that time.

If your child has a persistent late record you will be asked to meet with the Attendance Lead to resolve the problem, but you can approach us at any time if you are having problems getting your child to school on time.

We will encourage good punctuality by being good role models to our children and celebrate good class punctuality.

5. Using Attendance Data

Pupil's attendance will be monitored regularly by the Attendance Lead and may be shared with the Local Authority and other agencies if a pupil's attendance is a cause for concern.

Attendance and punctuality data will also be used to identify emerging patterns and trends to inform whole school strategies to improve attendance and attainment. These will be monitored and evaluated by the school's Governing Body.

We will share attendance data with the Department for Children, Schools and Families and the local authority as required. All information shared will be done so in accordance with the Data Protection Act 1998.

6. Support Systems

At Canonbury, we recognise that poor attendance is often an indication of difficulties in a child's life. This may be related to problems at home and or in school. Parents should make us aware of any difficulties or changes in circumstances that may affect their child's attendance and or behaviour in school, for example, bereavement, divorce/separation, incidents of domestic abuse. This will help us to identify any additional support that may be required.

We also recognise that some pupils are more likely to require additional support to attain good attendance, for example, those pupils with special educational needs, those with physical or mental health needs, migrant and refugee pupils and looked after children.

We will implement a range of strategies to support improved attendance. Strategies used will include:

- Discussion with parents and pupils
- Attendance report cards
- Referrals to support agencies
- Friendship groups
- PSHE

- Social and Emotional Aspects of Learning (SEAL) material
- Family learning
- Reward systems
- Weekly class attendance rewards
- Termly individual attendance rewards
- Additional learning support

Support offered to families will be child centred and planned in discussion, agreement and consultation with both parents and pupils.

7. Deletions from the Register

In accordance with the Education (Pupil Registration) (England) Regulations 2006, pupils will only be deleted from the register when one of the following circumstances applies:

- The school is replaced by another school on a School Attendance Order
- The School Attendance Order is revoked by the local authority
- The pupil has ceased to be of compulsory school age
- Permanent exclusion has occurred and procedures have been completed
- Death of a pupil
- Transfer between schools
- Pupil withdrawn to be educated outside the school system
- Failure to return from an extended holiday after both the school and the local authority have tried to locate the pupil
- A medical condition prevents their attendance and return to the school before ending compulsory school-age
- 20 days continuous unauthorised absence and both the local authority and school have tried to locate the pupil
- Left the school but not known where he/she has gone after both the school and the local authority have tried to locate the pupil

Canonbury Primary School will follow Islington Council's Children Missing Education Protocol when a pupil's whereabouts is unknown.

9. Legal Interventions

Where poor attendance continues, even after the interventions outlined in this policy, the Local Authority will apply the following legal sanctions:

Penalty Notices (Anti - Social Behaviour Act 2003)

-Penalty Notices will be considered when:

-A pupil is absent from school for the purpose of a holiday in term time;

-A pupil has accumulated 15 sessions of unauthorised absence in any ten week period;

Each parent/carer receives a Penalty Notice for their child who has unauthorised absences. A Penalty Notice gives the parent the opportunity to discharge themselves of their legal responsibility if a £60 fine is paid within 28 days or £120 if paid within 42 days of the date the Notice was issued. If the penalty is not paid in full by the end of 42 days the LA must either prosecute for the offence or withdraw the notice. This prosecution is for the offence of failing to secure attendance at school not for non-payment of the fine. Prosecutions are brought under S444 Education Act 2002.

Application to the Family court for an Education Supervision Order

This can be granted up to 12 months. Parents will be legally obliged to comply with the directions/advice given by the Education Welfare Officer and if you do not, the matter may be referred to the Magistrates Court. The consequence of this could include a fine or in the aggravated offence imprisonment. In addition, if there is a persistent non-compliance with directions/advice, then it is a legal requirement that the Local Authority Children's Social Care Department investigate.

Prosecution

Where all other intervention, including Penalty notices and/or Education Supervision Orders, fails to bring about an improvement in attendance, the Local Authority will be notified and legal action in the Magistrates' Court may be taken. The school will provide the Local Authority with evidence required for a prosecution under Section 444 of the Education Act 1996 and will appear as a prosecution witness if required by the court.

-CANONBURY ATTENDANCE- A GUIDE FOR PARENTS-

1. When does my child need to be in School?

Your child should be at school by 8:50 a.m. to be ready to go into class at 8:55. The first bell is at 8:50a.m with the second at 8:55a.m. By 8:55am the children are expected to be lined up and ready to go into their classes.

2. What happens if my child is late?

Registration finishes at 9.00 in the morning and 1.30 in the afternoon. Pupils who arrive after registration should report to the school office. A series of 12 unauthorised late marks will result in a letter being sent home regarding your child's punctuality in the first instance and then a meeting will be arranged for persistent late marks.

3. Does the School need letters explaining my child's absence or will a phone call do?

We would expect a parent to telephone the school on the first day of absence. We will telephone you if your child has not arrived in school by 9:30 a.m. If we do not receive an explanation, or if the explanation is unsatisfactory, we will not authorise the absence. If we are concerned about aspects of your child's attendance or punctuality we will contact you to discuss the best way forward.

An accumulation of unauthorised absences will result in a letter being sent home and/or meeting with Attendance Lead.

4. What reasons will the school accept for absences?

- Illness
- Emergency dental/medical appointment where evidence is given.
(Please make routine appointments after school or during the holidays)
- Day of religious observance
- Immediate family bereavement

Except in the case of illness, you should ask for permission for your child to miss school well in advance, giving full details. In cases of recurring absences through illness you will be asked to produce medical evidence.

5. What is unacceptable absence?

The school will not authorise absences other than those in exceptional circumstances. Family holidays, day trips, shopping or birthdays are not classed as exceptional.

6. Can we take family holidays during term-time?

Family holidays should be taken during school holidays only. Family Holidays **will not** be authorised by the school. Taking a family holiday during term time can lead to the local authority issuing a penalty notice to parents starting from £60 per parent per child.
