

Gypsy Dance

Count and clap each line of the tune before you play it.

Use the numbers printed above the staff.
Which line has a repeat sign?

Bar lines divide tunes into groups of notes called bars.

Double bar lines show the end of a tune.

Video Activities

1. Tony Chestnut as a warm-up
2. Recapping our first line, make sure we are starting notes with 'tu'!
3. Recap our second line
4. Add on the new third line.
5. Play through!

Offline Activity

Colour in the holes on these recorders to show the fingerings for the notes we know so far!
Write what the note is next to it.
