Our Vision and Values

Our Vision:

We believe that our children learn best when everybody respects each other as part of our community

Children, staff and parents will work together to create a safe and supportive environment where every child can thrive in their work and play

We will aim high, striving for every child to achieve more than they thought possible.

Our curriculum will nurture curious minds, stretch the imagination and provide opportunities for every child to discover their particular talents.

Every day our children will grow in confidence as we celebrate success and support each other to reach new heights

At Canonbury, children will be happy in themselves and enjoy firm friendships.

Our Values:

We respect each other for who we are and show this in our actions and words

We work hard and look for enjoyment in everything that we do

We are eager to embrace new experiences

We relish a challenge and see mistakes as essential to learning

We ask questions and create imaginative answers

We bounce back when things don't go the way we hoped

We support each other to succeed and celebrate the achievements of all

Our children will leave Canonbury as confident, resourceful and respectful individuals who are ready to lead a successful life at Secondary school and in the wider world.

Home School Agreement

The aim of the Home–School Agreement is to form a partnership between parents, carers, children and the school that helps us to achieve our vision and values. By doing this we can support our children to **‘create, discover and succeed together.’**

In making this agreement, we commit to working together with mutual respect in the best interests of our children. In our interactions, staff, parents, carers and children will always treat each other with courtesy.

At parental request, this agreement can be translated into another mother tongue.

	I can make sense of information and link ideas to build new learning	I am inspired to ask questions and to take my learning further	I can communicate my learning effectively to others by speaking and in writing	I can form opinions based on my learning and build an argument for them	I have a command of numbers and can solve calculations and problems for myself	I have built substantial knowledge and skills in curriculum subjects	I appreciate and take part in art and music; I can let my imagination take flight
	I can read to understand more about myself, others and the world around me					I aim for physical fitness and skill in sport; I show good sportsmanship in competitive games	
	I can learn in many ways, by speaking and listening, seeing and doing					I reflect on what a good citizen is and strive to be one	
	I can collaborate with others to learn more	<div>Our children will leave Canonbury as confident, resourceful and respectful individuals who are ready to lead a successful life at Secondary school and in the wider world.</div>					
	I can start myself off in my learning and keep going						

Home

I will:

Bring my child to school every day, on time, wearing school uniform

Contact the school on the same morning if my child is absent

Support my child to do homework, instrumental practice and other tasks set by the teacher

Come to parents' meetings with the teacher to talk about my child's achievements and next steps

Share concerns that might affect my child's learning, wellbeing, attendance or behaviour

Help my child to understand the school rules about being respectful, safe and ready to learn

Support the school's Behaviour Policy and Anti-Bulling Policy

Work with the school to arrive at solutions for any issues

Approach the school to manage and resolve any issue involving another parent or their child

Inform the school of my child's medical needs and keep any prescribed medicines up to date, if they have been authorised to be taken in school

Support my child to bring homework, books, instruments and PE Kit to school on the timetabled day

Make sure my child does not bring toys or sweets to school

School

The school will:

Look after your child's safety and happiness in school

Encourage your child to do their best

Teach your child a broad and balanced curriculum that meets their learning needs

Celebrate the diversity of our community in our school life and curriculum
