LO: To retrieve and record information.

Chapter 11: Margins of Error.

Starter: Read Chapter 11: Margins of Error.

Main Task: In this chapter, we meet the inspector leading the case to locate Salim. Let's record some of the information we find out from the inspector.

Success Criteria:

1. Read the question carefully, identifying key words.
2. Go to the page number indicated in the question.
3. Use the key words from the question to find the answer in the text.
4. Write your answer.

Questions:

1. Give the name of the lead detective and describe her appearance. (Page 81)
2. What items did the lead detective find inside Salim's bag? (Page 82)
3. Which part of Kat's story do you think the inspector did not entirely believe? (Page 83)
4. How many hours had Salim been missing for when the inspector came to visit? (Page 84)
5. Name 3 things the authorities have checked so far in relation to Salim's disappearance. (Page 86-87)
6. What was the most probably reason for the disappearance of Salim according to the inspector? (Page 87)
7. What did Ted wish he had explained to Salim on their way to the London Eye? Page 87)
8. Why did the inspector ask everyone a part from Aunt Gloria to leave the room? (Page 87)
9. What did Faith say to her son for him to understand that he had to leave the room? (Page 88)
10. How was Kat left feeling after being questioned by the detective? (Page 88)

Extension: Write 3 questions you would have asked Aunt Gloria if you were the detective.
