What is your favourite memory of Canonbury?	Who would you like to thank at Canonbury and why?	What are you going to miss most about Canonbury?
There are so many memories I will treasure but my best memory will always be travelling to Leicester to represent Arsenal and playing in a massive football competition. It was amazing because it really felt like we were professional players and I loved being with my team mates!	Lots of people have supported me but I'd really like to thank Anita, she is always there if I need help at lunchtime and she's so fair and honest! I'm really grateful to her for being so happy and fun and cheering me up when I've been sad.	Of all things I'll miss about Canonbury, the number one thing has to be my friends, I have been with some of them since nursery! My class is like a big family, I've been so lucky to have made friends for life!
