

**LO: To use notes to create a journey of events leading to WW2**

**Task (with links):**

Watch this video about WW2 <https://www.bbc.co.uk/teach/class-clips-video/history-ks2-the-outbreak-of-world-war-2/z7d847h>

When you have watched this video clip, create a journey of events to show what events occurred leading up to WW2. This can be in the form of a journey map, in a grid or table. Be as creative as you can.

When you have watched the above video clip, think back to last week's topic lesson **'What were the events that led to the start of WW2?** Are there any other notes you can use to insert into your journey of events?
