

Lesson 2

LO: To build an image explaining the change that occurs

Task (with links):

Watch this video clip called 'Replay- with English subtitles':

<https://www.literacyshed.com/replay.html>

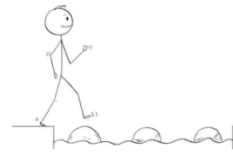

The brother (Rory) has ventured outside to escape the confines of the bunker and go in search for children to play with. Following on from the first moment the brother saw the children, write a narrative to explain the changes that occurred. (Remember you are trying to build an image in your reader's head, and they haven't seen the video)

Success Criteria:

- Write in the third person
- Include adverbials for time
- Include what changed from the moment the gas mask was removed
- Include what the character was thinking as the change happened

Adjectives	Nouns	Verbs	Adverbs
deserted neglected dust ridden joy laughter coloured clean fresh air	homes roads gas mask aeroplane tape recorder children playground	walked trudged investigated inhaled plodded watched scanned	slowly carefully cautiously

Lesson 2

The brother (Rory) has ventured outside to escape the confines of the bunker and go in search for children to play with. Following on from the first moment the brother saw the children, write a narrative to explain the changes that occurred. (Remember you are trying to build an image in your reader's head, and they haven't seen the video)

Use some of these sentence starters to help you.

Whilst listening to....

Sitting on the roundabout he saw... (*Describe the area*)

In front of him, he saw...

The children were playing....

As he looked at his reflection, he wondered...

Without giving it much thought,

As he removed his mask...

The air... (How did it feel?)

He looked around and saw...
