

**Week 2: Day 3.**

**LO: To write a prediction.**

**Starter: Let's find out how Salim's London Eye ride goes.** Read chapter 7: 'The wheel Turns', feel free to take notes whilst you are reading.

**Main Task:** Create a comic strip prediction of what you think happened to Salim whilst on the London eye in 3 steps. Include a caption for each part of the story.

For example:

 		
<p>Salim entered the carriage full of excitement and anticipation of the well-known London landmarks that he would see from the top of Eye.</p>	<p>As Salim reached the tip of the wheel, he snapped a picture of the stunning view. With a flash, Salim vanished from the wheel.</p>	<p>The group inside the carriage were unaware of the mystery that just occurred before their eyes.</p>
