

Year 1 Writing

Week 3 Lesson 13

Wednesday 22th April 2020

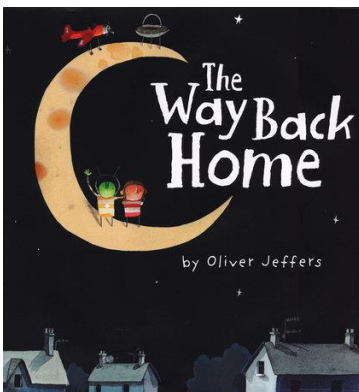

LO: To make up actions to go with a story

Listen to the story again.

Do you remember how we made actions to go with the story of Immi?

Try and do this for the story of The Way Back Home. Watch my video clip this morning to help you.

Stepping Stones Activity

Make up actions to go with this simple version of the story.

A boy found an aeroplane and flew up into space. His plane ran out of petrol and he landed on the moon. He felt scared. A Martian was in a spaceship. The engine was broken. It landed on the moon with a bump. The boy and the Martian made friends. The boy fixed the Martian's engine and the Martian filled the boy's petrol tank. They waved goodbye and went back home.
