LO: To draw a story map

Draw a story map for the story of The Way Back Home. There should be a picture for all the main events with a few words to explain them.

This is an example of a story map for The Gingerbread Man but your child should know how to do them as we have done lots.

Stepping Stone Activity:

Draw a picture for each of these sentences and copy the sentence to go with it.

The Boy Finds an aeroplane.

He flies to the moon.

He meets a martian.

The boy fixes the martian's spaceship and the martian fixes the boy's plane.

They go back home.
