LO: To use question marks

A question mark is a special kind of full stop which shows that the sentence is a question.

These sentences start with **who, what, where, when or why.**

Think of questions to ask the boy about his adventure.

For example

How did you feel when your plane ran out of petrol?

Stepping Stone Activity (if you cannot think of your own questions):

Copy out these sentences and add question marks.

What did you find in the cupboard

How did it feel going up in the plane

Where did you land and why

Who did you meet on the moon

How did you help the martian

How did the martian help you
