Safer Internet Week

On Tuesday 9th February, schools across the globe are celebrating Safer Internet Day. At Canonbury, we are going to be focussing on learning about internet safety through activities and discussions across the whole week. To support these conversations and any questions the children may have at home there are some tips, leaflets, conversation starters and animations for parents and carers available at <http://www.saferinternet.org.uk/safer-internet-day/2016/parents>
