Dear Parents and Carers,

It's business as usual at Canonbury—once the drop-off is over! **Thank you** to all of our parents and carers for supporting us to make the start of the school day as safe as possible—all our systems are under continuous review so that we can improve convenience for families while keeping school as safe as possible. We will make **slight changes to drop-off and pick-up times** from the week of **5th October** and will let you know the new times this Monday. Meanwhile, as you can see from the front page, our virus controls are not stopping us from enjoying our Canonbury Curriculum to the full. During the last 3 weeks, our children have been working hard on our strategic plan for **key learning in Maths and English**, so teachers can find out where there are any gaps from last year and where they are just as strong and need more challenge. And we are making sure they do not miss out on our fabulous wider curriculum. Now we are settled in, we are starting to add news to the website so do check in when you can.

Thank you to all our families who took part in **Run Canonbury Run** during the Summer Term—we have raised **£10,000 for our school**.

The PTA and Foundation are working with Patrick to plan the **next phase of the playground development**—outdoor reading and relaxation areas and natural spaces! Watch this space for more news.

Important Dates and Information

Year 6—Secondary Transfer—deadline 31st October 2020

Lost Property—Please ensure that all your child's school uniform is clearly labelled to make it easier for us to get belongings back to them

School Lunch— If your child brings a packed lunch from home, it has to be provided for the whole week—they cannot choose to have a school dinner on a particular day, as there will not be enough food ordered to cater for them.

Home time— Please remember to notify the school office if your child is being collected by someone else, either call or email.
