What are the different seasons?

- 1.
- 2.
- 3.
- 4.

What season are we in now? How do you know this?

Weather symbols

Look at the weather symbols above and talk about what weather each of them represents

How does each of them make you feel? What facts you know about this weather? What clothes you need to wear? What experiences you have of this type of weather? Think of questions and things you would like to find out. Then draw and write these things all over the paper, keeping the weather symbol in the middle.

How would you dress them for each of the weather symbols?

Things that mean it is Summer

Think about: the temperature, plants, the clothing people are wearing and the special things you do and eat in the summer.
