Year 6

¡Hola! ¿Como estas? I hope you are all well! Thank you to everyone who sent pictures of your Ensalada de frutas! Those children have received Cuatro Spanish Dojo Points! **This week anyone completing this task will receive 10 Spanish Dojo points.**

This week you are going to talk about sports you like doing. Watch this video to find out how to get started having a conversation about what you like doing and follow the activities.

<https://www.bbc.co.uk/bitesize/articles/zh33trd>

- ¿Qué deportes haces? - What sport do you like to do?
- ¿Juegas al rugby? - Do you play rugby?

To tell someone what you like to play you can say:

- Juego al hockey - I play hockey.

Or to tell someone about your brother you can say:

- Mi hermano juega al fútbol - My brother plays football.

The verb jugar is typically used for **sports played with a ball.**

Here are examples of how to tell people what you do:

- *Todos los domingos juego al fútbol - Every Sunday I play football.*
- *A menudo, después del colegio, juego a los videojuegos - Often, after school, I play videogames.*
- *Siempre toco la guitarra con mis amigos - I always play the guitar with my friends.*
- *De vez en cuando voy al centro comercial - From time to time I go to*

the shopping centre.

Watch video 2 to see Ashleigh talk to her Spanish friends about what they like to do.

Turn on the captions to see what they are saying.

Task: Write 5 sentences describing what do you like doing (use the PDF sheet to help you).
