## Borka Lesson 4

LO: To make up actions to go with a story.

Listen to the story of Borka again.

<https://www.youtube.com/watch?v=LUfe3moPZ-4>

Can you make up actions to go with the story like we did with Immi and The Way back Home?

You can film them and upload them for me if you want!

Watch my video on class dojo for help if you need it.
