

**Answers for Friday's main activities**

**Task 1**

**Sam is correct but needs to say that both glue sticks are 5 small blocks long. The glue sticks are the same length.**

**Task 3**

**Pete is incorrect because the non-standard units he has used are different. The green bag is 3 small blocks but the red bag is 2 large blocks. He cannot compare them unless he uses the same non-standard units to measure.**

**Task 4**

**Possible answers: 11cm 12cm 13cm 14cm**

Canonbury Home Learning  
**Year 1 Maths**

**Date: Monday 27.4.2020**

**LO: To explore capacity in a practical way, using a variety of containers.**

**Success Criteria:**

- |  |
|--|
| 1. Find a range of different containers  |
| 2. Use water or sand   |
| 3. Explore practically using the language; full, empty, almost full, almost empty. |

**Model**
