Main Activity

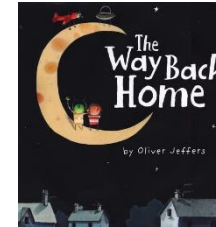

Read the text below out loud with a grown up.

What is missing?

Can you put in the capital letters and full stops so that it makes sense? (don't worry about commas).

Can you spot where the question mark goes?

Now copy it out in your best handwriting.

Remember a sentence must have a capital letter at the beginning and a full stop at the end. It must make sense on its own!

once there was a boy one day as he was putting his things back in the cupboard he found an aeroplane he didn't remember leaving it there but he thought that he'd take it out for a flight the plane lifted off the ground and up into the sky suddenly the plane spluttered it had run out of petrol now the plane was stuck on the moon what was he to do
