Main Activity

LO: To join clauses using 'and'.

Sentences can be made longer by using and to include two bits of information about the same thing.

Make these two short sentences into one longer sentence. Here is an example.

The boy is small. He wears a stripy T shirt. The boy is small and wears a stripy T shirt.

The plane is red. It is shiny.

The Martian has green skin. She wears a helmet.

The boy is alone. He is scared.

The boy jumped into the sea. He swam home.

Can you make up two of your own sentences about the story using and to connect two bits of information?

Stepping Stone Activity

Sentences can be made longer by using **and** to include two bits of information about the same thing.

Make these two short sentences into one longer sentence. Here is an example.

The boy is small. He wears a stripy T shirt. The boy is small and wears a stripy T shirt.

The Martian has green skin. She wears a helmet.

The boy is alone. He is scared.
