Main Activity

LO: To speak loudly and clearly to an audience

Imagine the conversation between the boy and the Martian when it is time to leave.

Act it out with a grown up. One of you is the boy and one of you is the Martian.

This is a TALK FOR WRITING activity. You must be able to speak loudly and clearly.

How do you feel about leaving each other? Thank each other for their help. Say what you will miss about the other person. Talk about whether you will ever see each other again. How can you use body language to show how you are feeling?

Stepping Stones Activity

Read out what the boy says to the Martian. How do you think the Martian responds to the boy? Say it out loud.

Goodbye Martian. I will miss you. Thank you for helping me. You are a good friend. I hope we can see each other again.
