Challenges

Try and do all 5 challenges

Challenge 1

Complete the statements below.

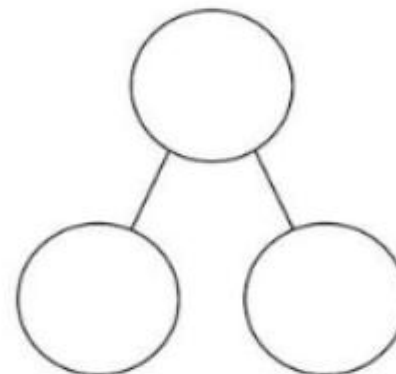

___ is a part.

___ is a part.

The whole is ___.

Challenge 2

Use the numbers in challenge 1 to fill in the part whole model.

Challenge 3

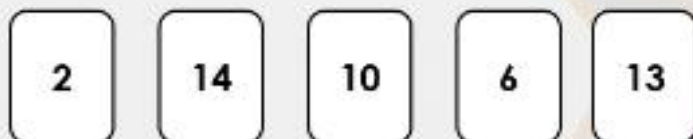

Combine these cards to create 8 different number sentences.

e.g. $7 + 3 = 10$

Challenge 4

Use the digit cards to complete the number sentences.

$$6 + \square = 20$$

$$\square + 4 = 10$$

$$2 + \square = 15$$

$$\square + 3 = 5$$

Challenge 5

Find 5 ways to complete the part-whole model.
