Date: Thursday 25.6.2020

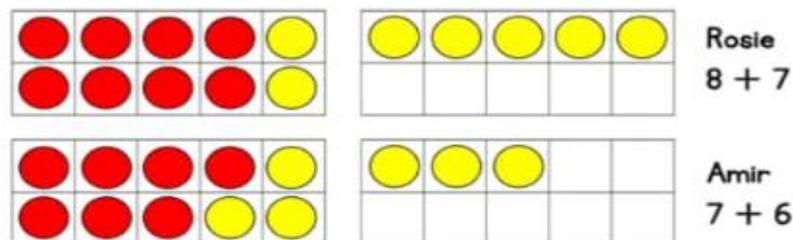

LO: To compare number sentences.

Watch the interactive video on White Rose Home Learning

<https://whiterosemaths.com/homelearning/year-1/>

Summer Term - Week 4 (w/c 11th May)

Lesson 4 - Compare number sentences

Use greater than or less than to complete the sentence.

$8 + 7$ is greater than $7 + 6$

Success Criteria:

1. Watch the video and pause it to answer the questions.

2. Collect small objects.

3. Compare different amounts of small objects or compare number sentences using < less than > greater than = equal to

- You can use the number sentences below (scroll down for a larger version of the number sentences) or you can think of your own,

1) $3 + 9$ ○ $7 + 6$ 5) $11 - 3$ ○ $12 - 3$

2) $3 + 9$ ○ $5 + 6$ 6) $11 - 3$ ○ $12 - 1$

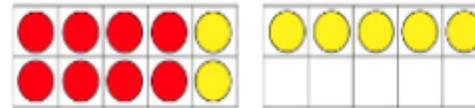

3) $3 + 9$ ○ $9 + 3$ 7) $12 - 1$ ○ $11 - 5$

4) $13 + 5$ ○ $11 + 6$ 8) $11 - 5$ ○ $16 - 5$

4. Answer the questions on the worksheet.

Today we are going to compare number sentences.

Rosie has represented a calculation
using ten frames.

What calculation has Rosie represented?

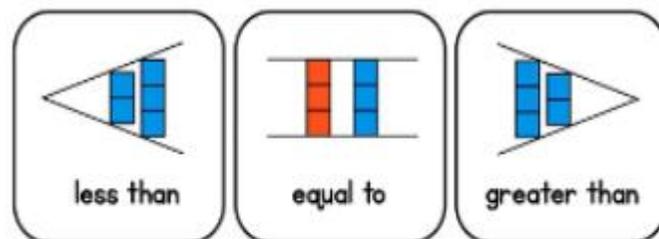

How many red counters are there? **8**

How many yellow counters are there? **7**

What calculation is Rosie doing?

She is adding them together. **$8 + 7 =$**

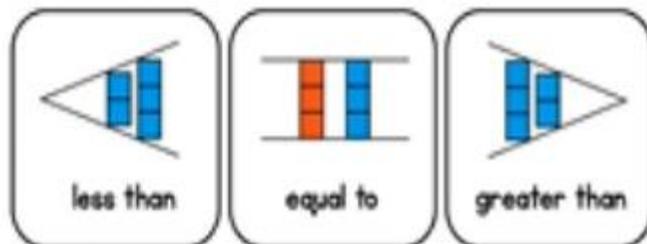

We can also use symbols to compare number sentences

18 is greater than 15

$$18 > 15$$

Use $<$, $>$ or $=$ to compare the number sentences.

1) $3 + 9 \bigcirc 7 + 6$

5) $14 - 3 \bigcirc 12 - 3$

2) $3 + 9 \bigcirc 5 + 6$

6) $14 - 3 \bigcirc 12 - 1$

3) $3 + 9 \bigcirc 9 + 3$

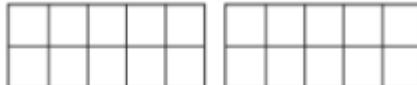

7) $12 - 1 \bigcirc 14 - 5$

4) $13 + 5 \bigcirc 11 + 6$

8) $14 - 5 \bigcirc 16 - 5$

Try and do all 4 questions

1 Draw counters to show each addition.
Use two different colours.

a) $9 + 3$ 

b) $6 + 7$ 

c) $11 + 2$ 

d) Write the missing phrase.

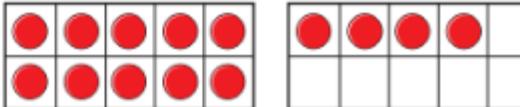

less than greater than equal to

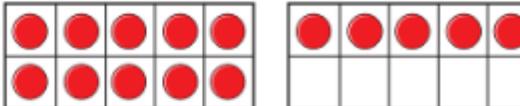

$9 + 3$ is _____ $6 + 7$

$11 + 2$ is _____ $9 + 3$

$6 + 7$ is _____ $11 + 2$

2 Cross out counters to show each subtraction.

$14 - 5$ 

$15 - 6$ 

Write the missing phrase.

less than greater than equal to

$14 - 5$ _____ $15 - 6$

3 Write $<$, $>$ or $=$ to compare the number sentences.

a) $12 + 3$ $12 - 3$

b) $17 - 4$ $17 - 6$

c) $13 + 6$ $6 + 13$

d) $14 - 4$ $1 + 0$

Did you have to work them all out?

4 Complete the number sentence.

$$\square + \square = \square - \square$$

How many ways can you complete the number sentence?
