Instructions lesson 5

Friday 3rd July 2020

LO: To write a set of instructions

Today you are going to write your own set of instructions telling us how to do or make something.

It could be for a recipe, a board game or how to make something.

Look at our bird feeder template to remind you how you could lay it out.

Remember to include:

A title

What you will need.

Numbered instructions.

Imperatives (bossy verbs)

Pictures for each instruction.

Stepping Stones activity

Use the template below to write instructions for washing your hands.

You can cut and stick these or write them yourself.
