Non-fiction lesson 1

Monday 6th July 2020

LO: To know the features of an information text

An information text is a text that gives us information about something. It is **non-fiction**. That means it contains facts.

Here are some features of an information text.

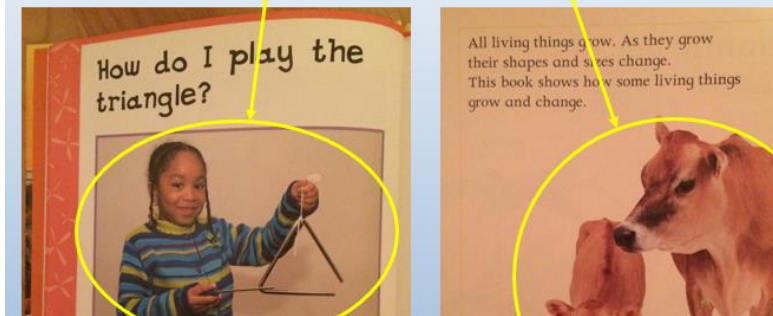

Read the text below with a grown up. Can you find and label these features?

Can you find any other information texts at home? Can you find these features?

# Headings

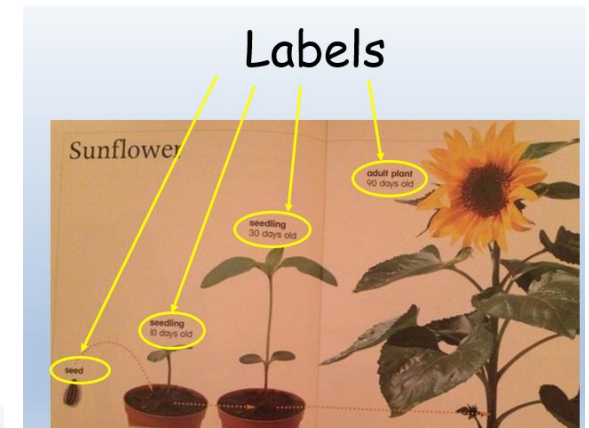

# Photographs

# Diagram

# Labels

# Captions

## Barn Owl

## Barn Owl

Barn owls are **nocturnal**. They hunt at night.

They can turn their heads right around to look behind them!

They are **carnivores**. They eat small animals like mice, shrews and birds.

Stepping Stones Activity

Read the text with a grown up.

Can you find?

A heading

A picture

A label

## Barn Owl

Barn owls are **nocturnal**. They hunt at night.

They can turn their heads right around to look behind them!

They are **carnivores**. They eat small animals like mice, shrews and birds.

excellent hearing to find small animals in the dark

good eyesight to help them hunt in the dark

heart-shaped face

brown feathers on the back

white feathers on the belly

long legs for reaching into long grass to catch food

sharp talons for catching **prey**
