1 Trace the days. 

Saturday
Tuesday
Sunday
Thursday
Monday
Wednesday
Friday

2 Write the days in order. 

Information texts lesson 2

Tuesday 7th July 2020

LO: To know what a glossary is

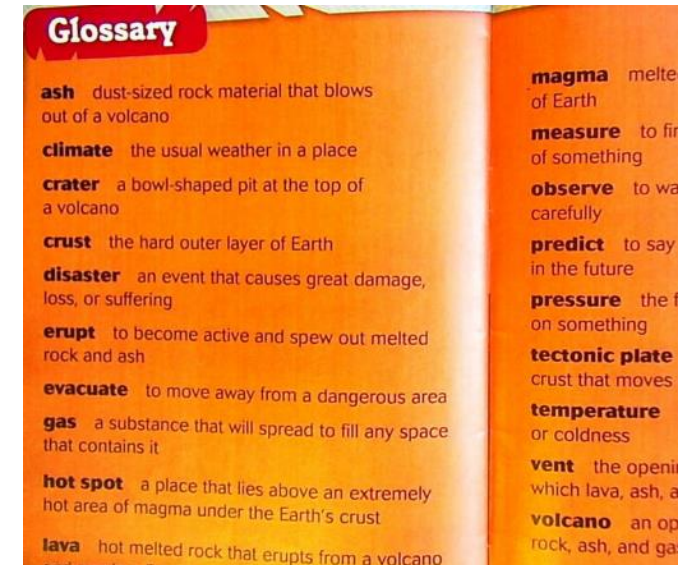

Think of our lesson yesterday. Can you remember the features of an information text?

A **glossary** explains what words in the text mean.

Look at these words. Can you match them with their meanings?

Carnivore	Awake during the day.
Herbivore	An animal that hunts and eats other animals.
Omnivore	Colours and patterns that help an animal hide.
Predator	Awake during the night.
Prey	An animal that eats only other animals.
Diurnal	An animal that is eaten by another.
Nocturnal	An animal that only eats plants.
Camouflage	An animal that eats plants and animals.

Now make your own glossary with these words....

Stepping Stones Activity

Carnivore

Herbivore

Prey
