

Week 1 Summer- Spanish

Year 2

Hola dear Year 2, I hope you are all well. I wanted to know how did it go with the activities? Do you enjoy it? This week we will be focusing in Los colores/colours.

Starter: I love this Basho and Friends song! First watch the clip. You'll hear 10 colours and 10 objects of the same colour. Play the song as many times you can. (As long mum and dad are ok with that too). See if you manage to remember them.

Activity: Your task will be to carefully look around this week and spot these colours and shout them out loud! Can you do that? I am sure you can! And can you test your parents too? I am sure you can! You can do so many things! Give it a go! You can also draw/paint any the objects from the clip and label the colour too. Or colour in the printable worksheet with the rainbow. Adios!
