LO: To find evidence in a text that supports inferences

Task:

Read part of chapter 15- 'The Great Plan', from ***'It is the same with dreams'*** (pgs 93-97) with an adult or older sibling.

I am going to give you some inferences that I have made from the text, about the characters feelings or personality. You need to find one piece of evidence that backs up those inferences. I have only focused on pages 93-94.

<u>Inference</u>	<u>Evidence from the text (How do I know this?)</u>
Sophie is a <u>caring</u> little girl.	
The BFG is <u>nervous</u> about trying to get near to the queen.	
Sophie is a very <u>detailed</u> little girl.
