

Summer 1 - Week 1 - Lesson 4

LO: To plan a narrative

Task

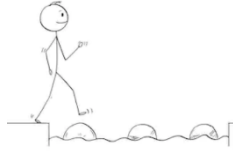

You are going to plan a story about the storm and the windmill using the ideas that you came up with yesterday.

Write short notes (not sentences).

Success Criteria:

- 1. Plan the introduction.** *Who and where are your characters? What are they doing?*
- 2. Plan the build-up.** *What starts to happen? What do your characters do?*
- 3. Plan the problem.** *What happens that takes them to the windmill? Does anything else happen whilst they are there? Do they try to leave?*
- 4. Plan the resolution.** *What happens to allow them to leave the windmill?*
- 5. Plan the ending.** *What happens and where do they go once the storm is over?*

On the last page is a story mountain model/template for you to use.

Steppingstone activity

Summer 1 - Week 1 - Lesson 4

LO: To plan a narrative

Task

You are going to plan a story about the storm and the windmill using the ideas that you came up with yesterday.

Success Criteria:

1. Draw a picture of the introduction: *Who and where are your characters? What are they doing?*

Write one descriptive sentence about it.

2. Draw a picture of the build-up. *What happens as the storm comes in?*

Write one descriptive sentence about it.

3. Draw the problem. *Why do your characters hide in the windmill? Does anything else happen whilst they are there?*

Write one descriptive sentence about it.

4. Draw the resolution. *What happens once the storm is over?*

Write one descriptive sentence about it.

The diagram features a central illustration of a mountain with a green peak and brown base. A white box labeled "Story Mountain" is placed on the peak. Surrounding the mountain are six text boxes, each with a label and horizontal lines for writing:

- Settings:** A white box with a folded top-right corner, located at the top right.
- Problem:** A white box with a folded top-right corner, located on the right side.
- Characters:** A white box with a folded top-right corner, located at the bottom right.
- Introduction:** A white box with a folded top-right corner, located at the top left.
- Build Up:** A white box with a folded top-right corner, located on the left side.
- Resolution:** A white box with a folded top-right corner, located on the bottom left.
- Ending:** A white box with a folded top-right corner, located at the bottom left.
