LO: To present my writing using features of a newspaper article

TASK:

The Weekly Chronicle is now going to print your final article about the miracle of the pig and the words in the spider's web.

Today you are going to put everything together from the past two days.

You can use one of the **templates below** or create your own, or even type it up on the computer.

My article is below as an example.

Success Criteria:

1. Use your BEST handwriting
2. Make the headline big and clear
3. Write the subtitle underneath
4. Draw your picture and label it with a caption
5. Read your writing from yesterday OUT LOUD
6. Make any changes you think it needs – punctuation, grammar, spelling, new ideas
7. Write your three main sections of text with any changes you have made
8. Add your name to the article

WEB OF WONDER

Young pig at centre of a miracle at local farm.

By Rachel Besbrode

A true miracle has occurred not once, but twice this week at the local Zuckerman farm. A young spring pig named Wilbur has had words written about him in a spider's web. What can this mean?

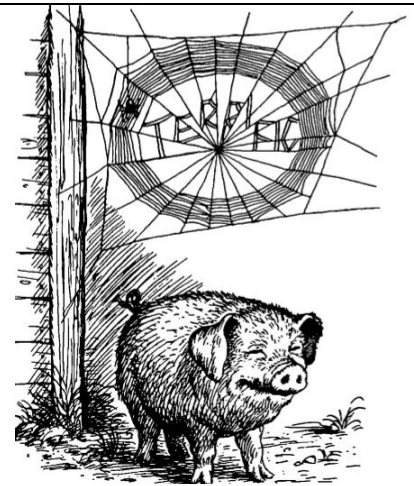

It was last Friday when farm hand Lurvy first discovered the writing in the web. He went to feed the pig in the morning as usual and noticed that inside the web, hanging above the pig pen, were written the words 'SOME PIG'. "I couldn't believe my eyes," Lurvy told me. "I immediately ran to tell Mr Zuckerman."

Farm owner Mr

Zuckerman told me, "Wilbur has always been a good solid pig."

Word quickly spread throughout the county and the Zuckerman farm has been busy with visitors all week. In his Sunday sermon, the local minister explained the miracle and said that the words proved that human beings must always be on the watch for the coming of wonders.

And indeed there was another wonder, when the word 'TERRIFIC' was discovered in the web a few days later. The Zuckerman farm has never been busier and Wilbur the pig has never been so well fed!

So what's next for Wilbur the miracle pig? Mr Zuckerman is planning to take him to the county fair on 6th September. Will there be any more words written in the web before then?
