2- This week you're going to learn about LA CIUDAD (lah- see-oo-dad) THE CITY. EN LA CIUDAD HAY (in the town or city there is). Watch this clip and learn about parts of la ciudad.

TASK: complete the worksheet below.

To end watch this clip too: English schoolgirl Ashleigh calls her Spanish friend Alejandro using her tablet. When he asks ¿Qué hora es? (what time is it?) and she replies "son las seis"(it's six o'clock), Ashleigh discovers that he is late for a party as his 'siesta' was longer than planned. Alejandro speaks only Spanish so Ashleigh repeats and explains key vocabulary. She tries to help him find his way by giving him instructions in Spanish, using a map of Toledo. Time passes and he is completely lost. He finally arrives at 10pm according to Ashleigh but its 11pm in Spain and Javier is not impressed despite their apologies.
