Today we will be talking about gossip so here are a few questions that we will ask you all.

DISCUSS

What is *gossip*?

Is it good to *gossip and why*?

Can I *gossip and why*?

Are you *allowed to gossip and why*?

Why *can't we gossip*?

THESE ARE THE KEY WORDS THAT PEOPLE MIGHT SAY

Making fun of people

Insulting them

Spreading lies behind their backs or online

Now we will show you a video.
