Snowflakes are lovely

New term, new entrance in sight

We have submitted our final plan for the additional entrance to the school through the woodland area, including an exciting imaginative play area, and we aim to start the build in the spring. This has been made possible by a grant from Islington, who support us in our aim to make space for our families away from road pollution at drop off and pick up. Much of **the grant will go towards the ground work, gate and facilities** - meanwhile **PTA and Foundation funds will help us achieve the exciting play areas.** We have been saving up funds raised from recent events for this purpose.
