Swim team success

Canonbury showed great resilience, belief and focus at the Islington Swimming Gala last week. After a first half where they were not getting the results they had hoped for, they continued to show belief and effort, cheering each other on to win the shield. We are proud of the character on display, as much as the trophy.

Gardening

This term a number of children have volunteered to be 'compost captains' and 'repotting rebels' on Monday lunchtimes, working with Calvin to prepare the plant beds for Spring growth. and our upcoming Science Week, when children across the school will be planting with Calvin.

From the Headteacher

It has been a busy, buzzing time since half term, with Year 3 daily swimming lessons, the Canonbury Team winning the Islington Swimming Gala, and an uplifting World Book Day. There were costumes galore, with children inventing a book character and making a collage illustration of what they look like. The pictures will be joined together to make a large display that celebrates reading. Seeing several classes join together to form a conga line at lunchtime showed what a fun day it was for all of us! You can see the photos further on in the newsletter and on the website.

We are looking forward to inviting parents into school for Parent Teacher Meetings the week after next as we start to open the school more widely again – check out the calendar over the page for other events coming up.
