

Task (with links):

This film that you will be watching is set in a post- apocalypse land.

1) What does post apocalypse mean? Research what this means and write an explanation of the definition.

Watch this video clip called 'Replay- with English subtitles':

<https://www.literacyshed.com/replay.html>

After you have watched the video answer these questions using your inference skills.

1. Why does the girl have to wait a short while before she can remove her face mask when entering the building?
2. Why did the sister have to leave the brother behind?
3. How did the brother feel when the sister said he cannot go next time?
4. Explain what the brother felt when he heard the sound from the tape recording?
How do you know?
5. What were you able to deduce from the sister's reaction when she didn't find her brother. What evidence shows what or how she felt?
6. Why do you think the sister said the brother couldn't go? What did you learn about the brother?
7. What would happen if the siblings took off their face masks forever?
8. What do you think happens after the sister found her brother? Explain how you know?
9. Predict what caused the brother and sister to live like this?
