Write two diary entries in the role of the brother and then the sister up to when the boy is sent to bed. When writing your diary entries, be sure to add in detail of the **characters feelings and thoughts**.

Why are they inside the bunker?

How does it feel living in there?

Why does one go out and the other stay in?
What are the reasons for this?

How does the other feel when this happens?

What did they think when hearing the tape recorder?

What are their hope and wishes for the future?
