1) Create a sentence for each of the key events. Each sentence must have an adverbial and a show not tell description of Julianne's feelings. You could use the adverbials below.

Without warning, With a million questions racing through her mind,
With a nervous smile, Trembling uncontrollably Heart racing,

EXT: Add a sentence which describes the action to each event.

Event	Show not tell sentence with an adverbial
	<p>E.g. With a lump in her throat, Julianne said goodbye to her mother and walked slowly towards the church, her new home, every shaky step was harder than the last.</p>
