EXT: Can you add a diary entry for the day before the game, describing training and preparation?

Dear Diary,

8<sup>th</sup> March 2020

The dream ended today. I'm gutted. I knew it would be tough against USA but it was so frustrating! We've honestly trained really hard and we did have some good chances. I was so impressed with the USA team though...

Then came the second half, and things began to unravel...

Ellen
