Year 6 Writing lesson 5, Friday 3rd July 2020 L.O. TBAT describe settings and atmosphere

Task: Look carefully at the cityscape below. Today we are going to be using vocabulary from the 'Hunger Games' to describe the setting and atmosphere of a city.

- 1) Imagine you have travelled to London in a Helicopter, you have only ever seen London on television before! Look carefully at the picture and think about what you would want to describe.
- 2) Add some vocabulary to the wordbank, you could use a thesaurus to help you find synonyms.
- 3) Use the vocabulary to write a description of the city of London! Use the model of the beginning below to help you.

Nouns	Adjectives	Verbs	Adverbs	Prepositions
building				beneath
offices				above
River Thames				below
clouds				beyond
skyline				under
trees				beside
tower				between
skyscraper				amidst
bridge				alongside
apartments				amongst

As the spectacular skyline emerged on the horizon, I was surprised that London was even more spectacular in real life! Although I'd only ever seen London on television, I could spot the London Eye, perched on the bank of the Thames, its slow turn almost imperceptible. Beneath candy-coloured clouds, building upon building stood in a winding, chaotic sprawl.
