

Task: Look carefully at your work over this week. Your task will be to improve the sentences below with adverbials of time, manner or place.

- 1) Look carefully at the pictures and the sentences. Either choose or create your own adverbial of time place or manner to add to the sentence.
- 2) Record your sentences in your neatest handwriting.
- 3) Write 1 more sentence to match each picture, with an adverbial of time, place or manner at the beginning of each sentence.

	<p>Gale and I began our hunt for food.</p>	<p>Time Early that morning,</p> <p>Manner Doing our best to avoid detection by the peacekeepers,</p> <p>Place Beyond the barbed wire fence at the edge of the seam,</p>
	<p>Gale dragged Prim away.</p>	<p>Time Seconds after I'd volunteered,</p> <p>Manner With silent determination,</p> <p>Place Through the shocked faces that filled the square,</p>
	<p>I mumbled 'Katniss Everdeen' into the speaker.</p>	<p>Time The afternoon sun blazing in my eyes,</p> <p>Manner Trying to conceal the fierce tremble of my hands,</p> <p>Place Facing the vast crowd of people,</p>
	<p>Peeta threw the burnt bread in my direction.</p>	<p>Time Before his mother could notice,</p> <p>Manner With a furtive glance back at the bakery,</p> <p>Place Sneaking out of his mother's vision below the bakery window,</p>
