

Success Criteria:

- | |
|---|
| 1. Revise and revisit classification keys. |
| 2. Choose your own animals. |
| 3. Create a classification key. |

Task (with links):

Task 1

Watch the video links at the bottom of the page.

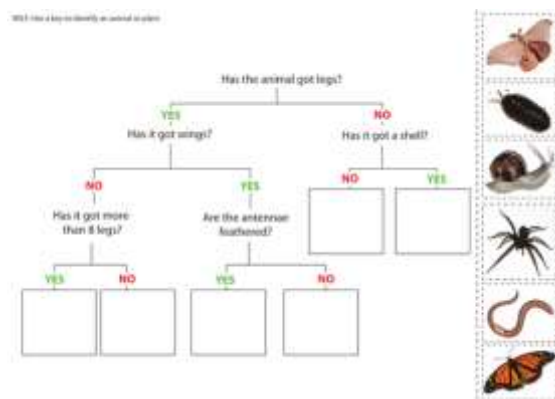

Task 2

This is a classification key.

It is a chart which consists of yes and no answers to classify animals.

Your task is to create one of your own. There are two more examples below.
