

L.O. TBAT use knowledge and understanding to create guidelines

How can we share information about volcanic eruptions sensitively?

Watch the videos about Volcanic eruptions.

<https://www.bbc.co.uk/newsround/44027991> <https://www.bbc.co.uk/newsround/51725127> <https://www.bbc.co.uk/newsround/51084669>

1) Complete the chart below with Key information from one of the news reports- you could find your own news report about a volcanic eruption, if you'd like.

2) When reporting about a volcanic eruption, what are the most important things you need to include? Order the ideas below from most important to least important.

Show respect towards the survivors

Share accurate facts

Show images of the destruction

Interviews with witnesses

Interviews with Experts

Interviews with Politicians

Opinions about the volcanic eruption

3) Create a list of rules for any Journalist reporting on a Volcanic Eruption, using the ideas above.

EXT: Create your own video report about a volcanic eruption, following the rules you have created and including the important information.

Features of the News Report	Record an example
Key Statistics	
Interview with a witness or survivor	
Facts from an expert	
Images of the eruption or destruction
