Ideas to develop your creativity:

- ◆ Make a colourful pharaoh headdress or death mask.
- ◆ Make a pyramid out of Lego, cardboard, or learn how to draw one in 3D.
- ◆ Write a message in Egyptian hieroglyphics for someone else to decipher.

Ideas to extend your research skills:

- ◆ Research about all the different Egyptian Gods – create some Top Trump cards including key information about each God.
- ◆ Research who Howard Carter was and what he has to do with Ancient Egypt.
- ◆ Research about how the Egyptians prepared for the afterlife.

This half term's POWER Project is:

Be an Historian
An expert in Ancient Egyptian times

Choose an activity to complete for your topic lesson each week (you can choose which order you do them in). You can present your work however you would like.

Ideas to explore your presentation skills

Find out about the country Egypt, where it is on a map, famous landmarks (things to see and do), geographical features (e.g. deserts, rivers, seas, climate etc).

Make a travel booklet or act out/film a travel documentary all about Egypt to show your family.
