Date: Wednesday 29th April 2020

LO: To retrieve key information from a text

Task:

Read part of chapter 15- 'The Great Plan', up to **'It is the same with dreams'** (pgs 89-92, **although page numbers may vary depending on your text**), with an adult or an older sibling.

You are going to do some speedy retrieval! See how quickly you can answer these retrieval questions. Remember the answer will always be in the text- you need to skim and scan for key words.

<p>What does Sophie first suggest as a plan?</p>	<p>Why does the BFG not think it is a good plan?</p>	<p>How does the BFG feel about the humans being eaten?</p>
<p>How does the BFG know where the giants are going each night?</p>	<p>Describe the rock they were sitting on.</p>	<p>Why is the BFG worried about showing himself to humans?</p>
<p>Who is the Fleshlumpeater longing to eat?</p>	<p>Why does he not try to eat this person?</p>	<p>What is Sophie's second idea for a plan?</p>

Predict what you think might happen next... Do you think their plan will work? Will there be anything that gets in their way?
