LO: To explain word meanings in context

Task:

Share 4 pages of chapter 16- 'Mixing the Dream' (**Pages 98-101**) with an adult or older sibling.

I am going to give you 6 words from these pages. First decide which word class they are (Verb or adjective?) Then, you need to explain what they mean.

Tips:

- Read the sentence that the word is in. Try and work out what it means from its context.
- If you still do not know, check the meaning in a dictionary!
