You can ask someone to describe their family by saying describe tu familia (describe your family).

You can then reply by saying:

- En mi familia hay... 'In my family there is...' followed by different family members.

For example:

- Describe tu familia - Describe your family.
- En mi familia hay mi padre, mi madre y mi hermana - In my family there is my father, my mother and my sister.
- También tengo tres abuelos, una tía y tres primas - I also have three grandparents, an aunt and three (female) cousins.

### **Pets**

You can ask someone what pets they have like this:

- ¿Qué animales tienes en casa? - What pets do you have at home?

And reply with En casa tengo... (At home I have...) followed by the pets you have.

For example:

- En casa tengo un perro y dos conejos - At home I have a dog and two rabbits.

If you don't have any pets, say:

- No tengo animales - I don't have any pets.

Watch this video of Ashleigh talking to her Spanish friend Cristina about her family and Christmas.
