

YEAR 4

SUMMER TERM TOPIC

FASHION

Hello Year 4.

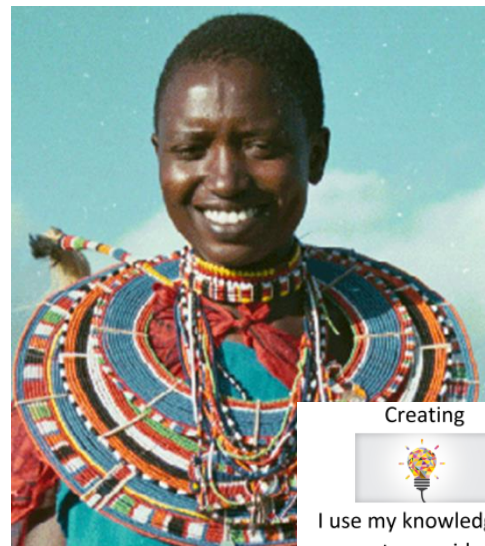

Our new topic for the summer term is Fashion!

Through the study of fashion, we will explore how British fashion has changed over time. We will also investigate different dress styles from around the world.

We will seek to better understand where our clothes come from and the impact that this has on the environment and people around the world.

Finally, you will have the opportunity to will use your skills of designing, making and evaluating to create your own pieces of fashion!

Your first task is on the next page.

Creating

I use my knowledge to create new ideas.

TASK 1

LO: To communicate an idea through a sketch and to use one material for construction

This is a DESIGN AND TECHNOLOGY task.

BIG QUESTION:

Can you design and make a piece of clothing/outfit out of newspaper?

Success Criteria:

1. Look at the examples of newspaper outfits on the final page.
2. Design an outfit made entirely out of newspaper by making a sketch on paper.
3. Annotate your sketch (label it)
4. Make the outfit out of newspaper.
5. Fit the outfit to yourself or someone else in your home.
6. Evaluate the task – answer the evaluation questions on the next page by talking to someone at home or writing your answers

Resources:

- paper
- pencil
- newspapers
- scissors
- human model (you or someone else at home)

Evaluation questions

**Discuss your answers with someone at home
or write your answers down.**

- 1. What was the aim of the task?**
- 2. What worked well?**
- 3. What challenges I faced?**
- 4. How did I face those challenges?**
- 5. What would I change next time?**
