### Knot Such a Grate E-Male

Dear friend,

It was great to meet you on holiday last week. I really missed you when you left. There was too much peace and quiet. Do you remember when you won that medal for diving in the pool? We could not use the pool after you left because of the weather. I've never seen rain like it except in films!

Make sure you keep in touch. I cannot wait to hear from you.

Lots of love,

Your new best mate, Adam.
