iHola!!!!!! ¿Como estas? I hope you and your families are well!

This week we are going to learn about Flamenco - a Spanish dance.

<https://www.bbc.co.uk/programmes/p011mw7s>

In this clip you will have an introduction to the Spanish dance style flamenco which brings together many influences. Guitar, clapping rhythms and traditional songs accompany two flamenco dancers in costume. We hear how Arab, Indian and Spanish Gypsy cultures influenced the dance from the 16th to the 18th century. Young dancers perform the intricate stamping patterns that create the rhythmical beats that support the guitar and share how their feelings are expressed through the dance. The importance of the correct costume, shoes and body posture are described by a flamenco dance teacher as she teaches hand, arm and foot sequences. A class of flamenco dancers performs a short routine.

Watch this clip and I hope you get inspired as much as I did!
